

Discover new Cigna Healthcare Digital Features

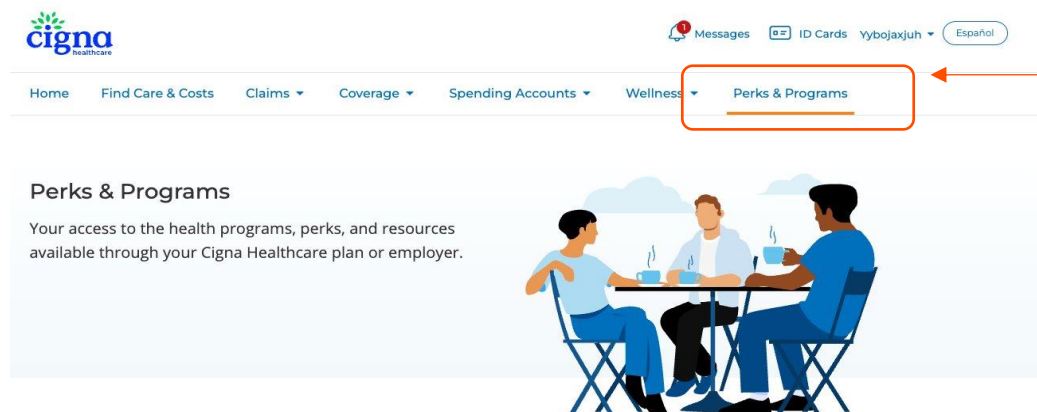

At Cigna Healthcare®, we are committed to delivering superior experiences for our customers and clients through frequent enhancements and upgrades to our digital experience.

Perks & Programs navigation tab available for all customers

Offering quick access to wellness discounts, behavioral health resources, and more.

All registered myCigna® customers will now see a **Perks & Programs** tab on both myCigna.com® and the myCigna app¹. This enhancement makes it easier for customers to discover wellness, behavioral health resources, and additional benefits included as part of their Cigna Healthcare plan. Customers who already have Perks & Programs will continue to see their existing experience.
